

Christian Education Council Minutes
July 29, 2018

Members Present: Theresa Martin, Lisa Harrison, Bill Harrison, and Shelby Holley

The meeting was opened with a prayer.

I. Old Business

- A. Theresa shared that per email from Chris, Sue Stott did have some interest in teaching an adult Sunday School class, but that she thought maybe an evening would work better. Theresa will ask Chris to poll the attendees to see if there is any interest in this. CE did think that there should still be a Sunday morning option, and will check with Chris to see if he would teach every other (non-Confirmation) week.
- B. Lisa and Shelby will have a separate Sunday School class for 3rd – 6th graders, plus any Confirmands when Confirmation doesn't meet.
- C. As of a 7/26 email from Chris, there were 6 students for the Confirmation class: Sydney Rohrer; Noah Schwab; Connor Stiles; Caleb Knisely; Cassie Wilson; and Makenna Niswonger; with a potential of 5 others Chris is waiting to hear from and will follow up with. This group will meet every other week. There was some discussion as to whether or not it should be a two year program since the group is not meeting every week, and Theresa will ask Chris.
- D. We have decided not to staff the nursery as we are lacking both enough volunteers and children. The only issue we currently see with doing this would be if guests with small children come. If this becomes an issue or we have an influx of small children, we will revisit it.
- E. Bill cleaned out the activity bags at the back of the church. Each one has a book, crayons, coloring book, and drawing pad.
- F. Theresa noted that the date of the September youth event was wrong in last month's minutes. It should be September 23rd. The Harrisons will have a picnic at their house.
- G. Theresa mentioned that Stacy Rohrer asked to be removed from CE Council due to increased work responsibilities. Stacy said she would still be willing to help with youth activities.

II. NEW BUSINESS

- A. We reviewed our 2019 budget and changed some line items to decrease our total budget figure.

The next meeting will be held September 9th after the late service.
