Old Business:

Budget:

We discussed and revised our original 2023 CE budget proposal. We were able to cut our budget by 26%.

Launch Sunday:

Launch Sunday went well. We had four students who enjoyed a breakfast of baked French toast, sausage, chocolate milk, and cookies. We had great fellowship and discussion.

New Business:

Youth activities:

During launch Sunday, we discussed having a fall event for the kids and all were excited. We are working on identifying a date that works for everyone. We will be planning events that are cost effective yet provide fun for the kids.

Advent:

We began discussion for this year's advent. We will be ordering advent calendars for the kids. We will discuss advent further at our next meeting.

Other Business:

None

Next meeting: Sunday, September 25, 2022, at 9:00 downstairs in the Sunday school area
