

CE Minutes

September 25, 2022

Members present: Shelby Holley, Amy Shultz, Theresa Martin, Pastor Chris, and Lisa Harrison

The meeting was opened by prayer from Lisa Harrison

Old Business:

Budget: Updated the council that consistory approved the annual budget at the at meeting

Youth activities: A fall youth activity will be held in October for the youth at the Harrison's after Church. There will be lunch, pumpkin carving, and attending a corm maze.

Advent: An advent workshop will be held in December. We discussed possibly sending advent calendars to families that no longer attend. Chris will provide a list of families.

New Business:

Spooky Saturday: CE discussed the low turnout at the Eater and Spooky Saturday events due to being to far from the main street. We have decided not to participate this year. Chris will look into joining an existing trunk or treat to join in the festivities. We discussed having our own trunk or treat may be challenging due to some of our members not driving in the evening and would be unable to attend the event. Hopefully, we will find a trunk or treat event to join.

Other Business:

None

Next meeting: Sunday, November 7, 2022, immediately following the Church service.
