

Christian Education Council Minutes

August 2020

Present: Bill Harrison, Lisa Harrison, Kathy Wilson, Chris Schwab

Bill opened with a prayer

This was an informal meeting to acquaint the new member with the functioning of CE as well as to develop the 2021 budget.

Items discussed:

- The Micro School proposal was discussed and although we have no problems with the program, CE felt the proposal was more of a building use issue than a CE issue. The proposal was referred to Property Management.
- Blessing of the children returning to school will take place on line as well as at the service on September 13th.
- The 2021 budget was proposed with a decrease of \$600.00 from the previous year. The camping program funds line item of \$,1000.00 was eliminated due to the impending closure of Hartman Center. The adult curriculum line item was increased to \$700.00. The resulting total for CE is \$3,900.

The next formal meeting will occur on Sunday, August 23rd in the parlor.

Respectfully Submitted,

Bill
