

CARING FELLOWSHIP COUNCIL MINUTES
December 2022

Due to a lack of council business, council has not met in person since August 2022.

One last item of council business for 2022 was conducted by email on December 7, 2022. An email was sent to council regarding this year's Christmas gifts to the residents of Thornwald and Sarah Todd homes. Gail made a motion that council get the same gift cards for each home as we have given in previous years. Council will give each home \$300 in a combination of gift cards from Giant, Walmart and Michael's. All council members who responded approve the motion. Gail will get the gift cards this week and deliver them to the activities directors at Thornwald and Sarah Todd homes.

Next Meeting: Tuesday, January 10, 2023 at 10:00 AM

Respectfully submitted,
Gail Havens
Caring Fellowship Council Chair
