

CARING FELLOWSHIP COUNCIL MINUTES February & March 2022

Caring Fellowship council did not meet in February or March 2022.

One item of council business was conducted by email on February 18, 2022. An email was sent to council regarding this year's donation to the UCC Homes Helping Hands Luncheon & Online Auction. The past two years council had donated a \$200 gift card for Hershey Entertainments. Since someone had already donated this same item for 2022, Gail recommended to council we donate \$200 in gift cards for local grocery stores. All council members replied in agreement with this suggestion. A \$100 gift card for Giant and \$100 gift card for Karns were purchased and delivered to Victoria Velez at UCC Homes' corporate office on March 2, 2022.

Next Meeting: To be determined when new council business arises

Respectfully submitted,
Gail Havens
Caring Fellowship Council Chair
