Old Business:

Fall treat bags

Fall treat bags were compiled with crafts, candy and other snacks Fall bags were given to our kids in Sunday school and given to Chris to disperse to families in the community. Approximately 27 bags were given in total.

Advent

Sunday, November 28th during Sunday School the following activities are planned to include gingerbread farms, a nativity craft, and candy cane wreathes will be made during the event. Also, advent calendars will be provided during Sunday school. Additionally, candy cane wreath kits with directions will be compiled and will be provided to families along with advent calendars during advent.

New Business:

Truck Stop Ministry Cookies

The youth In Sunday school would like to be involved with a service project this year. Our thought is that the Sunday school kids would collect cookies before the service from congregation members. The cookies would be bagged in decorated bags made by the kids and taken to the Truckstop ministry drop-off site. Lisa will check with Greg Lewis to confirm this is not a conflict with his council.
