Pastor Chris reported he will be following up with Scott concerning our audio/visual problem this past Sunday (January 16th)

Treasurer Susan Stott stated we met budget.

Council Reports:

Property: Dallas reported that the outside cameras were installed and is in working order.

Church and Ministry: Dave reported the council approved that we continue with singing at the end of the service. This will happen when we resume face to face services. St. Paul's Brass is scheduled to perform for the February 27th worship service. Dave will check with the group to see if they are still willing since it will be virtual only.

Christian Ed: Lisa reported that there will be a video made about Super Bowl Sunday, and how contributions can be made. This video will be shared on social media, as well.

Covid Update: Greg reported on the number of cases in Cumberland County. Although there was a slight decrease, the Consistory voted on a motion from Dallas Bailey and seconded by Lisa Harrison that we continue with virtual services through February. The Consistory will review this at their February meeting. This will include meetings and gatherings in the Church building.

In Old Business, Mike reported that Community Cares is still in need of winter coats.

New Business: As we look forward, Dave Rohrer ask us to think about the possibility of hiring someone to be responsible to oversee the technical aspect of the service, rather than Chris dealing with this.

The meeting was adjourned on a Lewis/Simonton motion.

Respectfully submitted,
