

Visitation Pastor Report      July-August 2020

I have been spending my time providing Pastoral Care from home and doing what I can to make visits with minimal contact — not an easy feat! I am very grateful to be able to stay in touch with members and those who have reached out for support and care.

Visitations:

All visitations can be made to non-COVID positive patients at a Pinnacle Health Hospital Facility. I was able to visit the following hospitalized/home bound members. I am unable to visit members in the nursing homes or other health facilities at this time due to safety restrictions.

1. Irene Downey — heart attack and at Carlisle UPMC
2. Visit to Ann Shatzer at Carlisle UPMC
3. Home visit to Ann Shatzer with Doctor
4. Home visit to Burkholder's
5. Home visit to Ann Herr

Phone Calls: I made 10 phone calls to home bound/ isolated members (home alone)

Other participation:

I am continuing to offer virtual "Word for Wednesday" devotions at 8:00 AM on Wednesdays with the exception of my vacation weeks.

Participate in Zoom Clergy support meetings once a month.

Invited to speak at Zoom Interfaith Class at Second Presbyterian Church, Carlisle -July 20.

My family and I were on vacation from August 2 – 9.

Respectfully Submitted, Rev. Rachel Schwab, Visitation Pastor
